You are a VERY important part of our church!

We need YOU - you CAN make a difference!

Discover your true identity, value and worth as God’s children and empower yourself to reach your potential in faithfully following Christ with others.

The first 8 weeks, topics we will discuss are:

- Identity Theft
- Delete the Spam
- Connect with Others
- Connect with God
- Own
- Reveal
- Empower
- True Identity: I Am!

The second ½ hour each week, we will plan one monthly fun activity and one outreach activity to help others in the community through volunteer opportunities. We look forward to seeing you.
